

**cleanzone**

25. + 26.9.2024  
Frankfurt am Main

International trade fair for cleanroom and cleanliness technology,  
hygiene and contamination control

**Cleanzone at a glance**

# Cleanzone

The background image shows a trade show booth. On the left, there are several white bags of product, possibly wipes, displayed on a table. In the center, a man in a blue shirt and glasses is looking towards the right. On the right, another man in a blue shirt is visible, wearing a lanyard with a badge. The background is a busy exhibition hall with other booths and people.

... is the unique event for all those who produce in clean rooms

...provides knowhow, products and services for the protection against contamination for users who urgently need these solutions for their production or working processes

... covers all application areas

... provides top-class knowledge at the Cleanzone Conference

## Top marks for Cleanzone

91 %

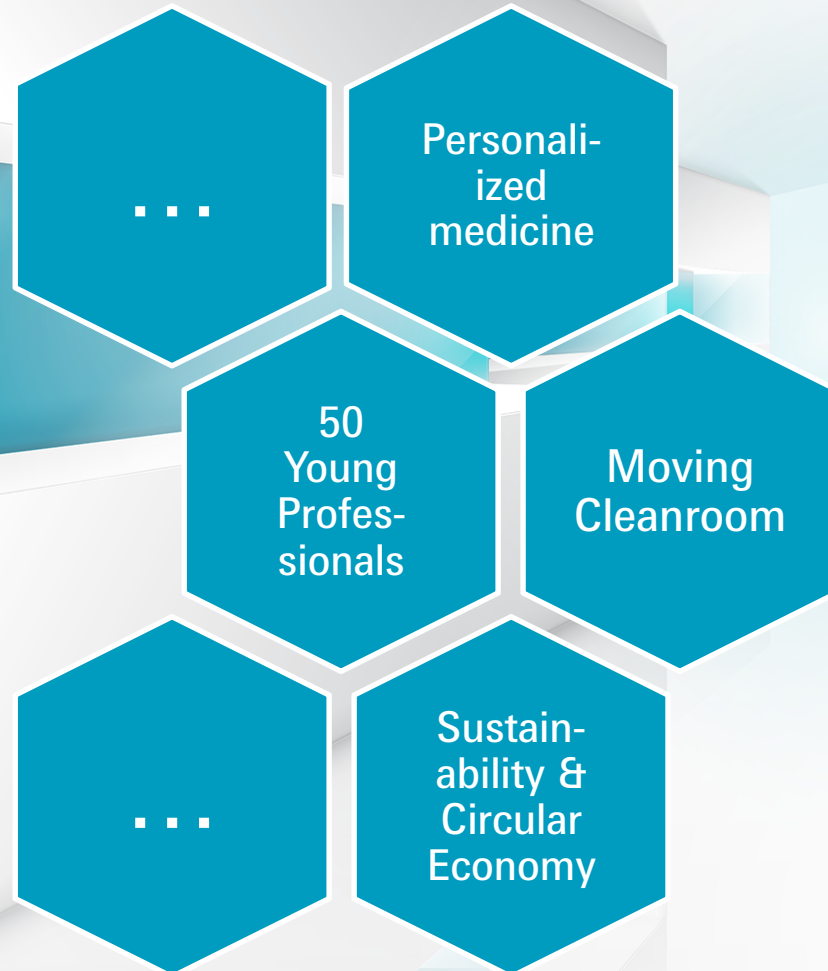

of **visitors** are very satisfied with their visit to the trade fair

92 %

of **exhibitors** are very satisfied with Cleanzone

# An excellent setting: Cleanzone Conference and Award

The conference has its finger on the pulse. "New faces" provide a view beyond, e.g.:

The Cleanzone Award honors groundbreaking progress in terms of innovation, sustainability and efficiency in the field of cleanroom technology. And the winner is: reinraummieten

## The industry has its say

Daldrop has been an exhibitor at Cleanzone since the beginning [...] and it is important for us that the whole cleanroom industry is at the show.

Christian Hage  
Managing Director Daldrop + Dr. Ing.  
Huber GmbH + Co. KG

What we particularly appreciate about Cleanzone is that it gives us the opportunity to present our products to national and international customers.

Ralf Stahl, Business Division Cleanroom,  
KEMMLIT Bauelemente GmbH

## The industry has its say

[Cleanzone] is a gate for us to enter these kinds of markets. [...] It's a crucial exhibition and we are happy to be here.

A. Yücel Kaner, Managing Director  
PPG/NAYA

For newcomers to the cleanroom, Cleanzone is worth its weight in gold to get started in the subject and familiarize themselves with the vocabulary and the world of the cleanroom. I also experienced the open and international orientation of the trade fair very positively.

Lukas Holzinger, RSE+ Architekten
